

Team Storage containers at the 2005 Formula Windsurfing World Championships

The 2005 Formula Windsurfing World Championships in Melbourne are going to be an excellent event; being sailed at a fantastic venue (ask Wojtek Brzozowski !); with excellent race and event management in the friendly atmosphere of a city many call the World's Most Livable!

No doubt your professional team of sailors will be here and in order to make things as easy as possible for them and for you as their sponsor, we have arranged the following details that we invite you to capitalize on.

The logistics of the venue mean that the majority of the fleet will be storing their gear in the ground floor of the Elwood Sailing Club clubhouse, whilst fitted out with racking and is a safe and secure building, this building is between 100 and 200m from the main rigging and pits area. We offer team sponsors the opportunity to rent a 20ft container right in the heart of the main rigging and pit area to act as your team headquarters and storage facility. This container can act as:

- shelter and shade for your riders and their equipment during the day
- storage for their equipment overnight
- bill board for your signage, flags and advertising
- a display area and base for you team and products for anyone interested

Containers will be available from Thursday December 8th (which is the day before the warm up event starts) through until Sunday December 18th – the day after the event finishes. In return for the usage of these containers (there are a maximum of only 6 available) we simply ask the following:

- \$ US310 (\$AUD400) per container for the entire period they are available
- that each container stores a minimum of 10 sailor's equipment each night
- that you decorate and adorn the container with your signage, flags and team colors (shouldn't be too hard!)
- the sailors retain responsibility for locking and unlocking the container each day
- allow other sailors not in your team to use the shade areas between containers

So for the minimal cost of under \$US3.00 per rider, per day, you get your own team base located right in the center of the action at the 2005 Formula Windsurfing World Championships ! These are subsidized rates and cover our costs only.

If you have any questions or comments on this program please contact me at any time via the details below. We look forward to welcoming you and your riders to Melbourne.

Kind regards
