

Formula Windsurfing World Championships Airport Transfer Shuttle SCHEDULE

Sail Melbourne has received and compiled all requests for the Shuttle Bus from the Melbourne Tullamarine Airport to Elwood Sailing Club for sailors, their supporters and their equipment and now advise the following schedule of shuttle runs.

Please note the following very important logistical points for all people and equipment to be carried by the shuttle bus

WHERE TO MEET

- We will be in a 12 seater mini bus with a Sail Melbourne logo on the side (refer above!) with a trailer attached on the back. The bus will be very temporarily parked in the 5 minute pick up and drop off driveway, outside, immediately opposite the International Arrivals Hall. Note – we will not be in the first drive way you get to when you leave the building as this is for Taxis only but in the next driveway, outside in the open.
- There is only one Terminal at the Melbourne Tullamarine Airport so this pick up spot is very close to where you arrive – no more than 100m away so don't walk too far!
- If you arrive to Melbourne on a domestic flight from within Australia then please move to the same location explained above – outside the International Arrivals Hall.

WHEN TO MEET

- The Mini Bus and trailer will be there at the times listed below. We cannot leave the mini bus to come inside and find you so please make sure you are waiting outside in the area described above at exactly the time listed.
- Our shuttle runs are timed to rendezvous with sailors according to the times you told us you arrive plus additional time for you to get your bags and to go through customs and quarantine.
- We will only be running the shuttles runs listed below and have tried to match these up to the times sailors arrive. In order to collect the most number of people this will mean that some sailors will have to wait an hour or more to meet the bus but as some people arrive at slightly different times this is the best we can do.
- If your plane is delayed and/or you miss the bus you were scheduled to catch then please call the driver of the bus on +61 (0) 424 887 308 to tell us how late you will be. We may be able to wait or you may have to catch the next bus as we have a time schedule to run to and unfortunately cannot keep everybody waiting.

WHO TO MEET

- We have included below all the sailors who will be catching the same bus and to make it far easier for us, ask you to please find each other and wait together and in the one place rather than in different areas.
- Look for the 12 seater mini buss with a trailer attached with the Sail Melbourne sticker attached on the side. The driver of the bus may be contacted on +61 (0) 424 887 308.

We will take all people and sailing equipment straight to the Elwood Sailing Club where you will be able to store your equipment / go for a sail / meet others. We may be able to drop you at your accommodation depending upon where it is but make no promises on this regard. Most places are pretty close and are a short walk or taxi ride away.

The Shuttle runs will be free of charge for competitors in the Australian and/or World Championships and for non competitors we will charge \$10 per trip. It takes approximately 30 minutes (depending upon traffic) to go from the Airport to the Sailing Club.

Listed below are all the names of people from whom we have received bookings for the shuttle. IF YOUR NAME IS NOT ON THIS LIST THEN AT THIS STAGE WE ARE NOT PICKING YOU UP!
